MOIZ UR REHMAN MASTOOR

SOFTWARE ENGINEER

Faisalabad, Pakistan - 0315 7378892 - moizurrehman01@gmail.com
codewithmoiz.vercel.app

PROFESSIONAL SUMMARY

Full-stack Software Engineer with hands-on experience building production web applications using the MERN stack and Next.js. Recently completed a Software Engineering internship at a US-based software company, delivering web scraping solutions, lernt MySQL database, and QA automation with Cypress (BDD/Gherkin). Comfortable across the stack — from responsive UI and REST APIs to database integration and deployment — including e-commerce storefront development (Next.js, Shopify-style platforms) , also have basic idea of payment integration.

WORK EXPERIENCE

Software Engineering Intern | Built With Precision LLC (USA) **Apr 2026 – Jun 2026**

- Developed web scraping and data extraction solutions for internal tooling.
- Worked hands-on with MySQL for database design, queries, and data management.
- Built and maintained QA automation test suites using Cypress with BDD/Gherkin methodology.
- Collaborated with the frontend team. Used Git for version control across the team.
- Assisted with software testing and issue reporting throughout the development cycle.

Full Stack Developer — Self-Initiated Projects | Freelance / Personal **Jan 2024 – Present**

- Built full-stack MERN and Next.js web applications, including a Next.js e-commerce platform for the Pakistani market with product catalog, cart, and checkout flows.
- Implemented JWT authentication, REST APIs, and Stripe payment integration.

INTERNSHIP CERTIFICATE

This is to certify that Mr. Moiz Ur Rehman Mastoor completed an internship at Built With Precision LLC from April 2026 to June 2026.

During this period, he gained hands-on experience in web scraping, data extraction, frontend development, MySQL database work, and QA automation using Cypress and BDD/Gherkin. He also worked with Git and gained professional exposure to TypeScript, Next.js, and MUI while assisting with software testing and issue reporting.

We wish him success in his future academic and professional endeavors.

Issued upon the request of the intern for whatever purpose it may serve.

Chief Technology Officer
